

Did you know?

The average couch goes through much more than a few bums on its average 11 year lifetime!

*THE average sofa will witness **1,236 arguments**, have **2,728 drink and food spillages** on it – and see blokes sleeping on it after getting **kicked out of bed 191 times**, a study has found.

- 6,509 hours spent watching TV or films
- 2,391 times people will fall asleep in front of the TV
- 1,338 children jumping up and down
- 2,299 hours of phone conversations
- 2,099 episodes of a soap opera
- 2,414 hours sleeping or napping
- 2,728 hours of reading
- 1,390 hours of work
- 1,007 date nights
- 1,236 arguments
- 2,728 spillages
- 2,105 kisses

At Leather House + Home our couches are **beyond average**. Individualised comfort, style & quality are paramount. We use only pure cowhide leather, solid hardwood Jarrah inner-frames & the best high-density foam - all ethically sourced from reputable West Australian manufacturers & suppliers.

For customised style and comfort that's quality made every step of the way right here in WA, contact Cheryl at Leather House + Home on:
